Leaders in organizations often discuss the need for their teams to develop strategic-thinking skills—this runs true for both individual contributors and managers. Similarly, team members often express challenges in fully learning the seemingly invisible and intangible organizational culture, office dynamics and politics necessary to advance and prove effective. This short-course certificate program helps you integrate both strategic thinking and organizational savvy through interactive and practical learning. You will:

• Boost performance through strategic thinking
• Make decision-making more strategic and effective
• Gain practical tools to augment team collaboration
• Decipher organizational politics

Distinguished Executive Guest Speakers include:

Christopher B. Cool | Sector Vice President, Sector Affordability, Northrop Grumman Aerospace Systems
Harry Q. H. Lee, II | Vice President, Corporate Contracts, Pricing & Supply Chain, Northrop Grumman
Catherine C. Rice | Vice President, Contracts, Pricing & Program Business Operations, Northrop Grumman Aerospace Systems
