"Who Are We?"
We are the largest and most extensive student-business organization in the world.
Our vision is to bring the two worlds of business and education together in a positive
working relationship through innovative leadership and career development programs.

"5 Reasons Why You Should Join Phi Beta Lambda, From a First-Hand Experience..."
1. Diversity
Phi Beta Lambda is open to all major, so we have members with different set of skills/expertise.
This creates the perfect opportunity for members to learn from each other and to help each
other grow personally and professionally.

2. We are professional, but also know how to have fun.
Under our suits and dress pants, we are just a fun bunch of people. We are like a family.
We get stuff done, then we play.

3. We give back to the community
We volunteer not just because of the goodness of our hearts, but also because we want to create
a long-lasting, positive impact in our community. Not to mention, it is a great way to learn new skills,
make social connections, and yes, sometimes we get to play with puppies.

4. Networking 101
Why networking? To establish meaningful relationships, plus, it can effortlessly further your career
If done right. New to networking? We’ve got you covered.
PBL invites professionals from different fields to give a talk at our GBM every other week,
so you should have plenty of meaningful contacts under your belt by the end of the quarter.
Networking with your fellow members are also highly encouraged!

5. We give you real-world, meaningful, and practical experience
At PBL, there’s always an opportunity to contribute.
You can join one of our amazing committees --Finance, Operations, External Affair, and
Marketing-- and work closely with the officer team on different projects.
Every other week, we also conduct GBMs where we teach you important
skills in the business world(resume, interview, leadership, etc.).
Lastly, we offer a mentor-mentee program where you will be paired with one of the officers,
a mentor, who can help with your professional development and provide support and encouragement.
Consider your mentor as a friend who always has your back!
At the end of it all, you’ll probably gain substantial experience and will have the chance to boast
about them all on your resume!

Come learn more about PBL at our recruitment week events!
