

Accounting Minor Sequence Map

Key facts:

- The Accounting minor was designed as a sequence and the **required** upper division courses may not be taken concurrently in the same quarter.
- All classes must be taken for a **Letter Grade**, and you must earn an overall minor GPA of 2.0 to graduate with the minor.
- We recommend beginning Econ4/MGT4 during the Fall quarter of your Junior year at the latest, in order to finish the sequence during the Spring quarter of your Senior year.
- The optional elective classes have prerequisites; check the Rady Undergraduate homepage for course descriptions and prerequisite information.
- Accounting classes will also be offered during the summer sessions. See the website for forecasted course offerings: <http://rady.ucsd.edu/undergrad/>.
