

ACCOUNTING MINOR (M070)

The Accounting minor at the Rady School of Management provides a high-quality education for students seeking a professional career in accounting. The minor meets the interests of those students who understand the related importance of accounting in other career tracks such as finance, investment, project management, operations, entrepreneurship and general management.

All courses must be taken for a letter grade, with a grade of C- or better. Students may overlap 8 upper-division units between their major and minor, there is no restriction for overlapping lower-division units. The Accounting minor can be combined with any other Rady minor or business-related major.

LOWER DIVISION CORE (2 COURSES, 8 UNITS)
