

FINANCE MINOR (RS26)

The Finance Minor will provide students with an educational experience that emphasizes the sound fundamental financial concepts necessary for success in the industry and for preparing them to begin a challenging and meaningful career upon graduation. A minor in finance can be applied to a broad range of careers, as every industry has a finance function.

All courses must be taken for a letter grade, with a grade of C- or better. Students may overlap 8 upper-division units between their major and minor, there is no restriction for overlapping lower-division units. The Finance minor can be combined with any other Rady minor or business-related major.
