LAB TO MARKET CAPSTONE COURSE SEQUENCE

Required of all Rady MBA students, the capstone Lab to Market course sequence puts your core curriculum and elective knowledge to work in a real-world environment. In this unique, action-learning based course sequence, you explore a project of significance to you by learning to assess which innovations are worth pursuing while bringing those concepts successfully to the marketplace.

- Gain skills to think entrepreneurially in any setting: emerging or established company
- Focused on how innovation reaches the marketplace
- Integrative project course sequence goes beyond typical MBA skills
- Begins in the classroom, moves to a project-centered environment engaging business community advisors and coaches

LAB TO MARKET

- ▶ Generate New Ideas
- ▶ Evaluate Business Models

LAB TO MARKET WORKSHOP 1

- ▶ Develop and Validate Ideas

LAB TO MARKET WORKSHOP 2

- ▶ Apply course curriculum to evolve ideas into a viable market opportunity
