The Rady School’s **FlexEvening MBA Program** is tailored to working professionals who are already making an impact in the innovation economy. Whether you are looking to start your own company or advance within your organization, a Rady MBA will provide you the education, hands-on experience and networking opportunities to excel. Located in San Diego, one of the leading startup cities in the U.S. and a science and technology hub, the Rady School provides a unique opportunity to work alongside industry executives, whether it is in our capstone Lab to Market core sequence, an industry competition or our own StartR Accelerator.

Your classmates will inspire and challenge you. Cohorts are primarily comprised of rising leaders within the innovation economy with an average of 8 years of work experience. Classes are two nights per week between Monday and Thursday for 30 months.
