

Rady Accounting Curriculum

The Accounting minor at the Rady School of Management is ideal for students who wish to pursue a career as an accountant or who understand the importance of accounting in other career tracks such as finance, investment, project management, operations, entrepreneurship and general management.

Upon graduation, UC San Diego students with an Accounting minor will be prepared for positions with accounting functions in a plethora of commercial, non-profit and governmental organizations. For many students, it is the first step in the path to becoming a CPA.

- Financial Accounting
- Managerial Accounting
- Intermediate Accounting A
- Intermediate Accounting B
- Auditing
- Federal Taxation – Companies
- Federal Taxation – Individuals
- Advanced Cost Accounting
- Advanced Accounting
- Accounting Information Systems
- Information Technology and Accounting
- Ethics in Accounting
- Not-for-Profit and Government Accounting

How UCSD Students meet the CPA Requirements

Exam Requirements:

Corresponding UCSD Curriculum:

24 Units Accounting Study (36 Qtr units)	9 Rady Accounting courses (Minor + 2 Electives)
24 Units Business Study (36 Qtr units)	Major in: Economics, Management Science, Computer Science, Math or International Studies – International Business International Studies – Econ, Joint Math-Econ or 9 Rady Business Classes

Additional Requirements for License:

Corresponding UCSD Curriculum:

20 Units Accounting Study (30 Qtr units)	Major in: Economics, Management Science, Computer Science, Math or International Studies – International Business International Studies – Econ, Joint Math-Econ + 3 Accounting Electives
10 Units Ethics Study (15 Qtr units)	4 Rady Ethics classes (MGT16, MGT164, and MGT166) + MGT146: Ethics in Accounting

Students who plan accordingly and who utilize summers to take additional accounting classes can fulfill **all** of the educational requirements for licensure by their graduation date.
